

Rhino Heaven Software

Introducing Small Business First Day (sbFirstDay), a comprehensive Windows application designed for independent hair, beauty, and massage professionals who want easy-to-use software to support their new businesses. Unlike complicated business

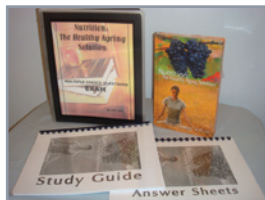

software that takes weeks to learn to use, sbFirstDay's intuitive interface and embedded training videos on every window enable budding entrepreneurs to become productive immediately. 303-547-5534, www.sbfirstday.com

Scandle® LLC

Scandle®'s Body Line products are specially formulated to ensure long-shelf life and can be combined with the warm oil from The Scandle Massage Candle to create unique, therapeutic spa treatments for professional or home use. Included in Scandle®'s new line is a multi-functional Dead Sea Salt that can be used as a bath/foot soak or as a gentle exfoliating body scrub. 866-531-9916. www.abodycandle.com

Skin Care Consultants

The new Study Guide to *Nutrition: The Healthy Aging Solution* is now available to skin care professionals. The Study Guide enhances the knowledge gleaned from the book, which provides a holistic approach to skin and body care. Utilizing both nutritional support and lifestyle management skills to maximize treatment results for the client's skin and body, this

book was written particularly for skin care professionals. 877-694-9777, www.lamskin.com.
