The Changing Client

- 1** Oil-Free Protective Moisturizer SPF 15, part of the GlyMed Plus FOR MEN line from GLYMED PLUS/ADVANCED AESTHETICS INC., is an oil-free sun protection and anti-aging moisturizer in one. Vitamin E protects cells from free-radical damage while age-fighting peptides help regenerate skin. 800-676-9667, info@glymedplus.com
- 2** Strawberry Rhubarb Dermafoliant with Lactic Acid is a mild, daily use organic cleansing exfoliant from ÉMINENCE ORGANICS. Designed to activate when combined with water, oil-absorbing rice powder, along with lactic and salicylic acids, remove dead skin cells and soften skin while antioxidant-rich strawberries and rhubarb cleanse and tighten pores. 888-747-6342, info@eminenceorganics.com
- 3** BIO-THERAPEUTIC's award-winning bt-micro appeals to both male and female clientele. Its proven ultrasonic and microcurrent technologies leave skin supple and smooth. 800-976-2544, info@bio-therapeutic.com
- 4** Help treat age spots on the hands with SKIN CARE CONSULTANTS' CryoProbe. It also treats sun spots on the face, flat skin tags and fibromas, and also has the capability to remove permanent makeup on the lips and eyebrows for correction purposes. 877-751-2722, info@lamskin.com.
- 5** Allergen Free Cirepil Pearl hypoallergenic stripless

body wax from INTERNATIONAL BEAUTY SYSTEMS GROUP is a velvety textured, white, stripless, low-temperature wax formulated with synthetic rosin versus traditional rosin, and is fragrance- and color-free. Pearl is ideal for very delicate and sensitive skin, notably decreasing the skin's hypersensitivity and histamine response to traditional stripless body waxes. 800-947-2314 ext. 433, lynn@ibsg.us

6 Customers are changing and so is the line of products FROM MONIQUE MATHIEU. Daisy, a straight-cut top with three-quarter raglan sleeves and a very feminine-looking wide neckline surrounded with a fringe at the bottom, is comfortable and requires low maintenance. It closes with eight small rectangular metallic snaps. 954-537-0732, info@monique-mathieu.com

7 Part of the SpaTeen—Blemished Skin At-Home Regimen, Blemish-B-gone, a spot treatment from PEVONIA BOTANICA, delivers a potent dose of medicinal actives to target problem areas. Its powerful antiseptic properties unclog pores, prevent new breakouts and destroy acne-causing bacteria. 800-738-6642, pevonia@pevonia.com

8 The ELEMIS Post Shave Recovery Mask is a fast-acting facial mask, power-packed with soothing lavender, macadamia, rosemary and thyme. The mask helps calm the irritation of blemishes and minor shaving nicks, while actively reducing skin
