## Identifying Skin Irregularities

Recognition and Treatment of Minor Skin Irregularities by Skin Care Consultants is a reference guide, in CD and textbook format, that gives skin care practitioners an overview of a wide variety of skin conditions they are likely to encounter on a daily basis. The CD provides

definitions and characteristics for each skin condition with corresponding photos, as well as an overview of treatment options. [lamskin.com](http://lamskin.com), 877.760.2722. **Use FreeInfo #60**
