

COLLECTION

10 Give the gift of great workout wear. High tech performance fabrics from **SPA UNIFORMS** offer the protection and comfort to carry you through your activities in confidence—soft, absorbent, breathable, durable, fast-drying, static-free, wrinkle-proof and pill resistant. It strongly inhibits odor and has antibacterial properties. 800-772-1408, www.noelasmr.com **11** **BION RESEARCH**'s 1-ounce jars are ideal for holiday gift giving. Titanium Dioxide Sunscreen, Moisture Complex, Cucumber Scrub and Cleanser for Normal Skin, and Hydrating Body Cream offer ingredients to protect, moisturize, cleanse and exfoliate the skin. The products contain avocado oil, primrose, shea butter and sweet almond oil. 402-438-5929, www.bion-research.com **12** Help clients look fabulous with the **REPÊCHAGE** 24 Hour Firming Collection, featuring Vita Cura Opti-Lift Serum, Vita Cura Triple Firming Cream and Opti Firm Lift Cream SPF10. The products protect skin from the harsh cold all winter with a nourishing seaweed formula and keep skin looking young with biopolymers and pentapeptides that fulfill the skin's main need of moisturization. For stocking-stuffer hunters, each product can be purchased separately. 800-248-7546, www.repechage.com **13** Sweet Pumpkin Spice Sugar Glow from **SALT OF THE EARTH** allows clients to experience the aromas of Autumn. More than 25 other scents are available throughout the product line, including almond biscotti, orange pomegranate and peppermint. All Sugar and Salt Glows, Whipped Body Crèmes, Body Washes and Aromatherapy Bath Salts are available in retail and professional sizes. 866-950-9899, www.massageelements.com **14** For the holidays, **GLYMED PLUS** offers its Best Selling Products & Emmy's Celebrity Gifting Lounge Silver Tote. This premium holiday gift pack features Age Management Skin Care System Gentle Facial Wash, Intense

Peptide Skin Recovery Complex and Photo-Age Environmental Protection Gel SPF 15. 800-676-9667, www.glymedplus.com **15** **RHONDA ALLISON** introduces Satin Peptide Serum for the holiday season, which contains a unique sequence of peptides and biomimetic peptides that signal the skin to produce more protein (collagen), reducing the signs of aging and free-radical damage. It also combines a new mitochondria formula containing a special nano-complex and a potent blend of active age-defying peptides, hydrators and antioxidants. Also unique to the formula is the fusion of resveratrol, rice peptide and encapsulated CoQ10. 817-410-9899, www.rhondaallison.com **16** The holidays are fast approaching and **SALON IRIS** software has many features that can help make managing the busy times at holidays a lot easier. Salon Iris has an easy-to-use appointment book, detailed reports, versatile payroll and extensive inventory management system, and much more. Features include viewing and scheduling appointments, looking at client's history and information, checking inventory and running reports including totals. Its remote Web access works on most mobile devices and smartphones that have Internet access. 888-803-4747, www.SalonIris.com **17** Give yourself a gift for the holidays. Convenient, portable and versatile, the SkinLite from **SKIN CARE CONSULTANTS** will help you examine and analyze the skin more powerfully and in-depth than traditional skin examination tools. An essential tool for all modern, advanced skin care facilities. 877-764-2722, www.lamskin.com **18** Holiday retail sales can be made easy by **ILIKE** organic skin care's Christmas display that is simple to assemble, festive and ready to reuse as a garden trellis to grow the organic cucumber seeds that are included. The organic cucumbers grown can be used for refreshing cucumber water or cooling eye pads. 888-290-6238, www.szepelet.com
