

ESSENTIALS | Products You Need

Essentials is designed to preview products and services of interest to day spa owners and managers. To receive more information about these items, call the phone number or visit the website listed at the end of each description.

The handheld, magnifying **SkinLite** device from Skin Care Consultants allows estheticians to examine up to two millimeters deep into the surface of skin to better identify dermal irregularities and conditions. **877.760.2722, lamskin.com**

Tropical, überchic Brazil serves as inspiration for Essie Cosmetics' summer 2011 line, **The Brazilian Collection**. Six vibrant hues range from the fiery, coral Too Too Hot, to Absolutely Shore, a seafoam green. **800.232.1155, essie.com**

Apply strip and individual eyelash extensions easily with the **Mehaz Professional Double-Sided Eyelash Applicator** from Spilo Worldwide. One side is curved for easy placement of strip lashes; the other is pointed to securely grip individual lashes during application. **800.347.7456, spilo.com**

Set-N-Me-Free's **Moisture Repair Kit** contains Aloe Lavender Spa Bath, Moisturizing Aloe Lotion, Aloe Milk and Aloe Moisture Cream to calm, exfoliate and hydrate skin. **800.221.9727, set-n-me-free.com**

Chock-full of antiaging amino acids and replenishing minerals, the **Cleopatra Plants and Mud Treatment** body wrap from Coco Jojo Laboratories employs the Queen of the Nile's ancient skincare secrets to moisturize and nourish clients' skin. **info@cocojojo.com, cocojojo.com**

Condition and nourish your clients' lashes with **LashFood** from JB Cosmetics. Powered by natural amino acids and iris extract, it promotes healthy, vibrant lashes. **800.748.5168, lashfood.com**
