eye-catching...

more than meets the **eye**....

1. Mark Lees Skin Care Pept-Eyes. This multi-peptide serum improves the appearance of puffiness, sagging, dark circles and fine lines in delicate eye skin.

800/447-5770, marklees.com

2. TRUE i-lift Eye Contour Concentrate. Idebenone in this formula tightens, restructures and regenerates delicate eye tissue, and helps boost the production of skin's own collagen.

800/419-TRUE, truecosmetics.com

3. Bioelements Eye Rejuvenation Kit. This limited-edition kit includes three products (Multi-Task Eye Cream, Multi-Task Eye Oil and Eye Area) to help clients reclaim a youthful appearance around the eyes.

800/433-6650, bioelements.com

4. SAMPAR Spondid "Eyes" Elation. This rich formula contains a 30% level of active antiaging ingredients to detoxify the skin, decongest the eye contour and improve skin's appearance.

800/539-0019, sampar.com

5. Bio-Jouvance Bio Matrix Eye & Lip Wrinkle

Filler. This eye and lip serum hydrates and firms the delicate soft tissues in these areas through hyaluronic acid and the QuSome nanodelivery system.

800/272-1716, biojouvance.com

6. Youngblood Purple Majesty Pressed Mineral Eyeshadow Quad. These highly pigmented shadows in complementary tones bring out the eye's natural color.

800/216-6133, ybskin.com

7. Dermalogica Soothing Eye Make-Up Remover.

This oil-free, alcohol-free, water-soluble gel contains silk amino acids to help strengthen lashes and condition the delicate eyelid area while removing all traces of makeup.

800/831-5150, dermalogica.com

8. Robanda OptimEYES Eye Treatment. Peptides and botanicals in this soothing formula increase skin hydration, reduce puffiness and relax the facial tension that leads to fine lines.

800/783-9969, robanda.com

9. Paradise Skin Products Beautiful Eyes Plus. The advanced ingredients in this formula (Matrixyl, alpha liponic acid and essential oils) dramatically hydrate eye tissue, lighten dark circles and soften wrinkles.

877/333-8181, paradiseskinproducts.com

10. Lam Skin Care Eye Wrinkle Gel. This rich gel from SkinTech International is especially formulated for eyelids that can't tolerate creams, and functions as an undereye makeup base for oily skin.

619/624-2372, skintechonline.com

11. Repêchage Eye Rescue Pads. Seaweed and four select species of natural tea extracts infused into these eye pads instantly cool and soothe tired, puffy and irritated eyes.

800-248-SKIN, repechage.com

12. Talika Eye Detox Contour Gel. This concentrated gel acts on the lymphatic and vascular systems to reduce dark circles and undereye bags.

866/727-4737, talika.com

13. Nelly De Vuyst Intensive Lifting Complex.

These ampoules combine peptide ingredients and biosaccharides with cucumber extract and cornflower water to firm delicate eye skin, brighten dark circles and provide hydration.

800/633-6056, ndvusa.com

14. Dermelect Revitalite Eyelid & Dark Circle

Corrector. A combination of Eyeseryl, Haloxyl and Sesafash tightens and lifts droopy eyelids, reduces puffiness and lightens dark circles.

888/693-3763, dermelect.com
